OFFICIAL TOURNAMENT RULES ARE BELOW. THE RULES ON WEBSITE SUPERSEDE ANY RULES IN PRINT FORM

1. OHF Hockey Rules will be followed.

2. All preliminary round games as well as playoffs will be for three periods. Period lengths for the preliminary round games are as follows.
   a. 2007-2012 age groups are 12-15-15 minute stop time. In the event of a goal spread of 5 or more goals in the 3rd period it will be run time until such a point the goal spread becomes 3 or less.

3. Playoff period lengths are as follows:
   a. The period lengths for semi-finals in all age groups are 12-15-15 minutes all stop time.

4. There will be a two-minute warm-up for all games.

5. Each team should be ready to play 15 minutes PRIOR to their scheduled start times without any advanced warning. If games are early we will stay up to 15 minutes early.

6. There will be no discussion on coaches’ ejections from games. Any Match Penalty will be subject to automatic expulsion from the tournament with the director’s decision being final.

7. Minor penalties will be 2 minutes and Major penalties will be 5 minutes for all games.

8. A defaulted game result will be 1-0 for the winning team and 0–6 result for the losing team.

9. For the purpose of score calculations any team winning by more than 6 goals, a maximum of 6 will be used for calculating the goal percentage. E.g. A team wins 10-1 the score will be entered as 7-1 for the method of calculating the best differential formula as outlined below.

10. There is no overtime during round robin play. Any game which ends with the score being tied will be entered as a tie for both teams.

11. During the playoffs, in the result of a tie, it will result in 3 on 3 for five minutes of stop time. If the score is still tied after OT the teams will enter a shootout of 3 players. Teams must submit 3 different players. If the shootout is tied after 3 shooters, it will result in a sudden death shootout. Teams must use ALL players before a player can be repeated.

12. All eligible players must play at least one round-robin game for their team during the tournament to be eligible for the playoff rounds. Younger AP players are available to play at any time. (Maximum 20 players including 3 goaltenders).

13. 2 line passes will be in accordance with OHF rules.

14. Offside will be in accordance with OHF rules.

15. Time outs are not permitted during round robin play. Each team is permitted the use of one, 30-second timeout during playoff games.

16. No Protests will be accepted.

17. No Body Contact will be permitted except at the 2007, and 2008 age groups.

18. Slaps shots are allowed in accordance with OHF rules

19. Mouthpieces and neck guards must be worn if your governing body requires their use.

20. The committee reserves the final word on the interpretation of the rules.
Tie Breakers after Round Robin Play
Points for Regulation Win = 2 Points, Tie = 1 Point, and 0 Points for a Regulation Loss.

If 2 teams are tied in points, the following order applies to determine the ranking of teams:
1. Head-to-Head.
2. Most Games Won.
3. Best differential Formula = Goals For / (Goals For + Goals Against) **** When applying this formula, the maximum goal differential in any game shall be no greater than 6.
4. Least Goals Against.
5. Most Goals For.
6. Least Penalty minutes during the tournament.
7. Flip of a coin.

In the case where more than 2 teams are tied in points, the above order applies to determine the ranking of teams:
(The tied teams will go through each tie breaker until ONE team is determined the winner; Ex. If no team is determined ahead of all other teams after Tie Breaker #1, then it will move on to Tie Breaker #2, etc.).

All teams must apply to the tiebreaker for the tiebreaker to be applicable. (Ex. 3 or more teams tied in points move to the second tie breaker: “Head-to-Head”. If ALL teams have NOT played each other then the head to head tiebreaker cannot be applied moving on to tiebreaker 3.)
Teams who play each other in the round robin will not play each other in the first round of playoffs.

PLAYOFFS
2007-2012 4 Teams will advance to Semi-Finals

Tournament Directors Tharindra De Silva, Nunus Molu & Todd Tverberg hold the final decision on ALL matters not covered above.

Please respect the referees at all times, should you have a situation you would like to discuss concerning a particular individual, we have appointed a referee in chief who is available to you, they do not have the power to change a referees decision. However, we have advised our refereeing staff to treat coaches with respect and they will expect the same in return. They will not exercise any patience when being sworn, screamed or gestured at any time.

What is an NFT?
- “Non-fungible” means that it is completely unique. “Token” means that it can be transferred on a blockchain. Essentially, NFTs are assets that carry a unique digital identity and can be traded between users on a public blockchain like Tezos. Common examples of NFTs include artwork, trading cards, comic books, sports collectibles, games and more.
